UNIVERSITY OF TORONTO

UNIVERSITY EXTENSION

GRADUATE COURSE

FOR

CERTIFIED PUBLIC ACCOUNTANTS

The Certified Public Accountants Association of Ontario and University Extension, University of Toronto, have made arrangements for a five day program of studies beginning May 25, 1953. Any Member of The Canadian Institute of Certified Public Accountants is eligible to participate.

OBJECTS

This program is intended to provide members with an opportunity for serious discussion of subjects of common interest, to examine current problems and trends of significance to the accounting profession, to permit free exchange of views and experiences, and to meet informally with outstanding leaders drawn from the accounting world, business and government.

Participation in this program should result in a better perspective for each member of the group. Participation will mean interchange of experience and ideas, discussion of current practices and policies, and a reconsideration of established points of view. As a result every participant should be able to see his own responsibilities more clearly and be able to plan more effectively for the fulfilment of them.

This program offers an opportunity for a review of past actions and attitudes. To many members it will offer a solution to specific problems; to all it will be a stimulating association in an atmosphere conducive to concentrated application, removed from accustomed interruptions.

PROGRAM OUTLINE

A variety of methods will be employed. Emphasis will be placed on group discussions under able leadership, and the consideration of case studies. There will be lectures when this is the appropriate procedure. One of the most important features of a program of this kind is the informal discussion which takes place in residence common rooms and elsewhere.

Sessions are being arranged for each morning and afternoon. Three dinner meetings will be held.

Within the limits which are possible, participants will be given a choice of activities. Adequate opportunity will be provided for recreation and relaxation.

The program is intended to occupy fully the energies of all who participate and it will not be possible to take part on anything less than a full-time basis.

FACULTY

The staff will include distinguished members of The Canadian Institute of Certified Public Accountants, accountants from this and other communities, leaders in business and government, and members of the staff of the University. Each member of the staff will be a man of demonstrated ability, competent to provide informed guidance in discussion, and to contribute from his own experience to the deliberations of the group.

FACILITIES

The program will be centred in Hart House, University of Toronto. This building provides excellent accommodation for meetings, dining and recreation. Suitable conference rooms and private dining space will be available.

Each member of the group will be provided with a private room in Whitney Hall, a University residence close to Hart House.

REGISTRATION

The program will begin on Monday, May 25, with registration at 9 a.m. It will end on Friday, May 29, following dinner.

Any member of The Canadian Institute of Certified Public Accountants may attend. Registration will be limited to forty since this is the maximum which can be included effectively in a program of this kind. Applications should be forwarded before *April 20th*.

FEE

The Fee for the program is \$75.00. This will include the cost of tuition, living quarters, all meals except breakfasts and two dinners, and all necessary materials. The fee is payable on receipt of notice of acceptance of application.

An application form is enclosed. Information and additional application forms may be secured from The Director, University Extension, Simcoe Hall, University of Toronto. Telephone—Midway 6611, Local 21.
